Registered boats may catch their own live bait at any time during the tournament.

9. Hook & Catch: All male, female, and junior anglers must hook, fight, and catch their own fish. Once a fish is hooked, that angler must fight the fish until it is properly released, boated, or lost. Anglers may not pass rods to fellow anglers once a fish has been hooked. A fish is considered to be hooked once a strike occurs and the drag is engaged. The use of a rod holder to hook a fish is allowable provided the individual that engages the drag is the same person that fights the fish until release, catch, or loss.
